### How to Apply Osrurnia at Home

**Step one:** Remove tube from refrigerator where Osrurnia is stored.

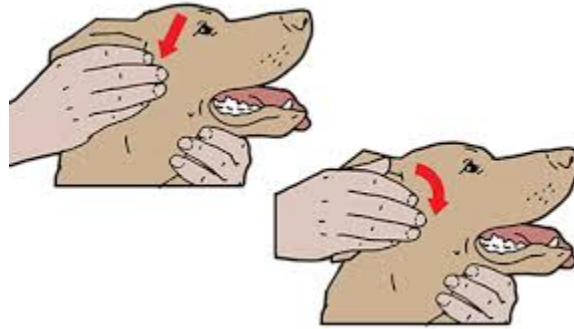

**Step two:** Twist the top to open. The tip of Osrurnia is soft and very flexible.

**Step three:** Hold the tip of your dog's ear up to ensure you have access to ear canal

**Step Four:** Squeeze entire contents of tube inside ear canal as pictured.

**Step Five:** Massage contents into ear canal

**Be sure not to clean out your dog's ears for the next 6 weeks**
